Sir:

This submission is being made pursuant to 37 C.F.R. §1.56. A listing of the references is submitted herewith on form PTO/SB/08A. The cited references are listed on the attached International and German Search Report.

This submission is being made after the mailing date of the Notice of Allowance but before payment of the Issue Fee.

The cited references, like the other references of record do not teach a relative pressure measuring transmitter which has an electronic circuit within an insert in the transmitter housing, with the insert comprising a moisture-persistent material and an electrically conductive layer for protecting the electronic circuit against electromagnetic interference.

Any fee required pursuant to the submission should be charged to our Deposit Account 02-0200.
